26th Birthday

Baby Katelyn,

I just took a shower. It's 2:43 AM on my 26th birthday. I am stopping to write this letter because I need to switch socks. They stink! There. That is better. Now for some better Handwriting. Gee whiz. So, I think you are special. This is my second letter. Ironically, the second letter of the alphabet is the first letter of my last name and the fourth letter of the alphabet is the fourth letter of my last name and the future fourth letter of your last name.

I'm listening to a song, Flux Pavilion - I can't stop

I think I'm going to go write some more of my book now. I look forward to getting to know more about your beanie babies. Why don't you introduce me? Am I not good enough?

Lovingly,  ← that's a good heart!

Your getting a little less secret admirer
