NOTE FROM JURY

We need post it notes (or other ways to mark pages for our reference), the temperature to be warmed up a few degrees as many of us have been cold today, and the document for exhibit number) that contains a table showing the purposes & goals before/after conservatorship. We can't find the document that contains how Fannie + Freddie would be managed after going into conservatorship (i.e. being managed to maximize shareholder value vs not being managed to maximize shareholder value).
