NOTE FROM JURY

We would like all of the video testimony
+ transcriptions of depositions for both plaintiffs'
and defendants' witnesses. We would also like
a 2nd carafe of hot water, please, as we drank
a lot of hot tea yesterday. As discussions are
ongoing and we still have deep divisions in the
jury, we would also like to request letters of
excuse through Tuesday, November 8th. It is also
still very cold in the jury room, so could you
please make it a bit warmer in here? I'm also
out of notes, so I'll need more of these pages, please

→ we will take another vote this afternoon, but we are
still divided in our interpretations of the evidence.
