ORDER

The court has before it plaintiffs’ unopposed motion for voluntary dismissal filed February 28, 2023. For the reasons stated therein, the court **GRANTS** the motion. The court therefore **denies as moot** defendant’s amended motion to dismiss filed October 1, 2018, and **denies as moot** plaintiffs’ motion for joinder of a nominal defendant filed April 30, 2018.

As requested in plaintiffs’ motion, plaintiffs are not required to provide notice of this dismissal because published binding precedent requires the dismissal of plaintiffs’ claims. The above-captioned action is dismissed with prejudice and the Clerk is directed to close this case. Each party shall bear its own costs, fees, and expenses.

IT IS SO ORDERED.
